

A Mobile App for On-Demand Language Help & Cultural Advice

Jeenie™ is the new mobile app that empowers people to travel with confidence and without worry.

Live language help is just a tap away!

- ✔ HUMAN language experts – not machines
- ✔ Language support AND cultural advice

Benefits to Tour Operators

Now tour operators can provide customers with a new service to enhance their travel experience and remove their greatest source of travel anxiety: **Language!**

As an added amenity or bundled in a tour package, the insurance of 24-7 access to language support gives travelers more confidence and control when they travel.

- 🗨️ Hold conversations in other languages
- 📋 Clearly understand signs, menus and other information
- 📍 Experience the local culture
- 🔄 Solve problems with real-time assistance

"With Jeenie™, traveling is less stressful. I feel safer. It's like having a travel companion who knows the local language and culture."

Dale H., Jeenie™ client

Jeenie™ offers discounts to tour operators along with options for co-branding. Or, operators can introduce Jeenie™ to customers who can pay-as-they-go.
