DIFFERENCE BETWEEN ORGANIZATION AND INDIVIDUAL LOGIN CODES:

IPW online registration requires the *organization* ID and password. The My IPW portal, which provides a personalized experience for all *registered* delegates, requires the *individual* ID and password. *It is important to use the correct set for each access point.*

Once you have submitted your initial registration, you will go through the My IPW portal to make any changes, purchase additional items, update the organization profile, make appointments, pay invoices, etc.

- **Initial Online Registration** – Requires the *organization* login codes (5-digit org ID and an alpha-numeric password). You will generally access the online registration site through “Register Now” links on [ipw.com](#) and in promotional emails. If you have not received your *organization* login codes, please complete a short login request form: [ipw.com/request-login-codes](#).
- **My IPW portal** (and the mobile app) – Requires the *individual* login codes (7-digit individual ID and a *different* alpha-numeric password). The individual ID number is your 5-digit company number (e.g., 12345) followed by a period and 1-2 additional digits, e.g. 12345.12. Note: Only delegates registered for the current year’s trade show will have access to the [My IPW portal](#).

REGISTRATION TIPS:

- Allow a minimum of 10 minutes to complete online registration. If system is idle for approximately 20 minutes, the session may timeout, and you will have to re-register.
- Additional delegate registrations, advertising, PR or marketing opportunities can be purchased through the My IPW portal at any time after you complete the initial registration (see page 4).
- The member discount will apply to current members at the time of registration. To become a member of the U.S. Travel Association visit [ustravel.org/member-services/join-us-travel](#). Same day membership processing is available. Please contact our Membership team to discuss (membership@ustravel.org, 202.408.8422).
- U.S. Travel Association must receive payment in full in order to be considered registered and have access to My IPW, appointment scheduling (once active) and buyer contact information.
- Cancellations cannot be made online. Email details of the cancellation request to ipwreg@ustravel.org.
